What is your top source of leads?

Advice/Question

Curious where most people here are finding leads.

Open houses, mailers, cold calling, door knocking, networking, sphere of influence, social media, social media ads, dating apps, referrals... what's working for you?

Since this thread is still seeing pretty high engagement over time, we want to suggest moving future and additional discussions about this topic to r/RealEstateTechnology since many lead generation services and software keep getting brought up. That is a good subreddit to host those discussions around services and software.

14 deals in the last year My top two sources were:

5 deals from rocket mortgage referrals in the last year.

5 deals from my wife's friend and family.

I've gotten 3 listing appointments in 3 years of quarterly mailers to my neighborhood(no deals from it though). We shall see how well my cold calling pays off in the future. Only been at it for 3 months, a couple people looking to do something sooner than later.

> 5 deals from rocket mortgage referrals in the last year.

Is this a program they have you sign up for? I know a lot of local mortgage broker's will refer to agents, but didn't know the larger ones have something as well.

Zackadeez · 3y ago

Yea, my brokerage is signed up with it. They recently raised their referral fee to 50%(!!!!). While I won't turn down business while trying to build mine, that's a tough pill to swallow.

Cosmicgermanshepard · 3y ago

Whattt! It was 35% just last year when I was doing that!

Zackadeez · 3y ago

Yep, my general manager, just emailed those of us on the program that as of April 1 it went up to 50%.

Getting crazy!!

thablion · 3y ago

I asked this to a top 1% agent and this was his response.

Generate Listings with social media ads

Start door knocking in the area of the listing and say 'we are going to list this house in your neighbourhood for X amount if you like to learn how much you can get give me a call'

When property on the market and you have an open house door knock again and invite everyone

When property sold hand out mails explaining how is it like to work with you and your customers experience/story

Happy to go over more details if you have any questions

SOI, online lead gen, referrals. I used to cold call and doorknock but that lead to a low ROI for me personally

My lead gen company is getting me 50 buyer leads, the sales cycle is longer but I've closed 6 deals in the last 2 months so I'm not complaining.

Mariah9344 · 3y ago

Can you share your lead gen company?

Main_Satisfaction619 · 3y ago

Not sure if I'm allowed to share links in the group.

Ok_Chocolate4712 · 3y ago

Can you msg me the company you use?

DarthNettols · 3y ago

Open houses every weekend for other agents. Can usually pick up 1-2 buyer leads. Combining this with purchased leads through Zillow and Realtor which have worked because I am in a busy metro market.

vodwad · 3y ago

how much are you spending per month on Zillow and realtor? I've been told it's a much better experience when you go hard at like 3-5k/mth in my LCOL area. I did $400/mth for a year in one zip code I was farming and got nothing.

Sea_Ear_5372 · 3y ago

Combined with Zillow and realtor I am spending $2600/mo. I'm working with 3-5 serious, motivated buyers a month. Able to close all at some point. Depending on your market, the GCI is well worth the pay for leads. I think you have to spend money to get money in my market. Also, tax write offs 😀

vodwad · 3y ago

thanks for the info. would you say realtor is about the same as Zillow in terms of ROI and quality of leads?

Sea_Ear_5372 · 3y ago

Zillow is way more expensive. I would say the quality of leads and their follow up system is better than Realtor. I get more volume of buyers from Realtor, though not all the leads are quality. This past month 4 out of the 8 leads are real.

vodwad · 3y ago

that's not bad at all. I reckon I'll be on the phone with a realtor dot com sales rep here shortly lol

Sea_Ear_5372 · 3y ago

What market are you in if you don't mind?

vodwad · 3y ago

Louisville, KY

I use a software called IgLeadGen, its pretty sick ngl. Ok interface but it gets the job done. If you couldn't tell from the name it does Instagram lead generation and filtering. I think the URL is igleadgen.com but I'm not 100%.

Ive done facebook leads as well but facebook is pretty trash ngl. Insta gets me way better results.

[deleted] · 2y ago

If you are searching for leads I would suggest a software called IgLeadGen. It pretty much is a software that scrapes Instagram leads for you from whatever niche. It worked well for me and saved me a ton of time as well. Think they have a free trial as well.

MasterChiefSteve · 1y ago

I would try pulling motivated seller list and using Prime Tracers for getting contact data. Been cold calling list for 9 years and has worked wonders for our team.

Murky-Object-3104 · 1y ago

I have used many different type of lead generation companies. While they're similar, instahub.ca has been a pleasure to work with because it's not a gigantic company and they answer my phone call very quickly;

proxkyjo · 1y ago

Well, I've tried dating apps for leads... but somehow, swiping right on a seller just doesn't get you the property! 😂

But in all seriousness, referrals are definitely one of my top sources of leads. Beyond that, I've also started using PlutusLeads.com. It's been a great way to buy verified seller leads, especially when you need to fill in the gaps and don't want to spend all your time chasing buyers. If you're looking for a consistent stream of quality leads, it's worth checking out!

advertizip.com the one i have been using lately

Fit-Interview-3886 · 8mo ago

Most of mine came from just sticking with my personal network and treating every casual connection like it could turn into business.

MundaneMethod104 · 8mo ago

For me it's been referrals by far. I tried ads and cold outreach but the conversion felt like pulling teeth compared to someone coming in through a client who already trusted me
